THE FOUNDATION FAITH OF GOD

Outreach '80

November

Merry Christmas

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

Luke 2:9-10.

HEALING

NEW YORK

"And the prayer of faith shall save the sick, and the Lord shall raise him up." James 5:15

Rev. Sharon St. Joan, Director of *The Healing Ministry of The Conquering King*, tells of two wonderful incidents of GOD's healing.

The first involves a Sister in a Catholic Order who learned four years ago that she had *leukemia*. In the years that followed, the nun grew weaker and increasingly tired as the degenerating effects of the blood cancer proceeded. Recently, The Lord brought the good Sister's case to the attention of Rev. Sharon St. Joan. Thanks be to GOD since *The Healing Ministry* included her in their prayers, she has been informed by examining doctors that *the leukemia is gone* . . . **GOD has healed her!**

The next testimony focuses on the personal ministry of Healing Ministry Aide, Sister Joy Waxman. Joy is a highly respected Registered Nurse, with many years of experience in caring for the critically ill including specialist work in the field of oncological (cancer) nursing. She has witnessed and been a channel for some of the most startling and dramatic of healings.

Recently one of Joy's patients was suffering from a little-understood condition of *brain deterioration* that affected his memory, his speech and even his ability to breathe. Joy offered this man's life and health into the care of The Lord Jesus Christ, and together with Rev. Sharon St. Joan and others in *The Healing Ministry*, Joy prayed for a healing. By GOD's Grace, **a healing has taken place!** Joy's patient is now able to talk and breathe normally; his memory has returned and his health continues to improve.

ON THE AIR

The Electronic Church

This has been called the age of the electronic church, and indeed, The Lord has blessed *Foundation Outreach* Ministers with a full and effective radio and television ministry across the country. Some highlights this month:

Maury Povich, host of Philadelphia's "AM/PM" daytime talk show on TV 3 welcomed Rev. Magdalen St. Claire and Rev. Enoch Garrett of *The Ministry of the Angels of Christ*, who will also be featured on Baltimore's "Evening Magazine" TV show.

Rev. Raphael de Peyer and Rev. Jana Bernadette appeared on ABC TV affiliate WBRG in Birmingham, Alabama with Bill Bolen on *"Religion in the News"*. Other media coverage in Birmingham included an inspired visit with Rev. Bailey on WENN AM & FM Radio.

In New York, Rev. Sharon St. Joan and Sister Gabrielle Lawrence were return guests on WOR AM and WXLO FM's *"Inner Dimensions"*, in addition to their regular weekly broadcast distributed in San Diego, Boston and New Orleans.

In Dallas, Rev. Lucia Smith appeared last month on KLIF and KPLY, and is in the planning stage of another nationally syndicated TV feature.

In Canada, in addition to regular broadcasts as mentioned elsewhere in this Newsletter which feature Rev. Estelle Lehnen, the *Canadian Headquarters* has enjoyed extensive media coverage, particularly in the press, from the Maritime Provinces in the East, to Alberta in the West.

The above, plus daily broadcasts in Phoenix and widely syndicated radio spots produced by Rev. Cyrus Daniel, and long-running inspirational television spots in Phoenix, Atlanta, Washington, D.C. and Dallas, illustrate the extent of The Foundation's commitment to spreading the Message of Jesus Christ through the 'Electronic Church'.

We thank you for your enthusiastic support of these Ministries.

FOUNDATION PERSPECTIVE

"For what shall it profit a man, if he shall gain the whole world, and lose his own soul?"
Mark 8:36

There are many yardsticks for success: money, power, status symbols, popularity, ... the list is endless.

However, **The Lord Jesus Christ** admonished us to *"seek first the kingdom of God."*

This month, *Foundation Perspective* interviewed three Foundation Ministers about standards of spirituality.

Rev. Cyrus Daniel:

"I don't know that we can set any standard for spiritual success, or even if we should try to do so. However, I believe that we can know if we're on the right track by applying the principles of Jesus Christ. He said 'by our fruits we are known.' If anyone wants to assess the extent to which GOD is present in their lives, all they have to do is ask themselves a few questions: Does The Lord play a large part in your thoughts, plans and priorities? Do people feel better, stronger, more in touch with GOD as a result of being around you? Do you think good things about other people? Do you feel confident in your relationships and unthreatened by negativity?

"These are the kind of things that indicate GODly success to me."

Rev. Cyrus Daniel is the Director of *The Denver Foundation*. He is a gifted evangelist and radio preacher, and the founder and Director of *The New Covenant Crusade*.

•

Rev. Jason Smith:

"Success in worldly terms is the same thing as power or influence.

"Spiritual success is spiritual power. It is power over evil. Jesus Christ gives us the means and the doctrine to overcome evil; to banish it from our lives.

"This is the power of good, and it means being in positive command of our lives through faith in GOD. And that's Christianity."

Rev. Jason Smith is the Director of *The Dallas Foundation*, and founder and Director of *Living Christ Ministries*.

•

Rev. Maeva Battista:

"Spirituality is loving GOD, and building a rock-solid relationship with GOD based on faith and the power of GOD where others would rely on physical force.

"Spirituality is knowing that GOD can and will overcome any physical, mental or emotional obstacle on your behalf. It is accepting the limitless Grace and Love of The Lord."

Rev. Maeva Battista is Volunteer Co-ordinator of *Northeastern Ministries*, and is called to a ministry of personal counseling.

DENVER

Three Sundays of Special Conferences

On Sunday, November 2, 1980 *The Denver Foundation* hosted a special conference on "Healing" - presenting lectures on *'Naturopathic Medicine'* by Dr. David L. Krest, and *'Holistic Nursing'* by Elaine Finster. Dr. Krest discussed cancer therapy emphasizing the *GOD-given healing properties* of the human body while Miss Finster spoke on the continuing usefulness of folk remedies in treating illness and injuries.

The Healing Conference was completed with a lecture on *'The Healing Touch'* by Rev. Cyrus Daniel who gave personal testimony to *the healing power of Jesus Christ* and the *efficacy of prayer* and the laying on of hands.

On November 9th, Rev. Daniel hosted an afternoon on the subject of "Prophecy", with special emphasis on "End Time" prophecies which are being fulfilled today. Rev. Daniel is an expert in all fields of prophecies, and also produces a series of daily radio spots that illustrate the *fulfillment of Scripture* in today's headlines.

On November 16th, Rev. Anne Daniel, co-ordinator of the *Angel Ministry* in Denver conducted an afternoon devoted to The Lord's Holy Angels and understanding how to expand one's knowledge of them and their work in the world.

A full schedule of exciting and informative conferences and seminars are planned at the *Denver Foundation's* center. For details contact Rev. Anthony Gleeson at the address or phone number given on the back page of this newsletter.

TORONTO

Foundation Prison Ministry Expands Reach

One of the most pressing problems of any correctional system is the fact that offenders on bail or parole, juvenile offenders, and even those in half-way houses preparing for release are often placed in environments that draw them back into criminal activities.

Canadian Foundation Prison Ministry Director, Sister Ione Lorraine, is in the forefront of a movement to develop a meaningful housing program for all of the above categories of offender in the Toronto correctional system.

Operating under the auspices of the *Toronto Justice Council*, Sister Ione is Vice Chairman of a proposed committee to establish an umbrella project co-ordinating living facilities with the special needs - spiritual and physical - of individuals attempting to get on the right track, perhaps for the first time in their life.

GOD has used Sister Ione in miraculous ways to touch the lives of prisoners with the *Spirit of Jesus Christ*. She is respected by correction officials and inmates alike who find in her someone who can be trusted with both the interests of the system and the personal confidence of the individual.

We ask all of you to continue your prayers and support for this wonderful ministry.

Ministry of Miracles on Regular Radio Call In Show

You probably read in a recent issue of Outreach '80 Newsletter of the popularity of Rev. Estelle Lehnen's radio broadcasts about *GOD's Holy Angels* and their work in the world today. Well, CJRN Radio in Niagara Falls, Ontario only had to look at its switchboard when Rev. Estelle was on the air to see how hungry people are for *knowledge of The Lord* and *His miraculous ways*. After inviting her back by popular demand for several evenings, CJRN realized it was in their best interests to have Rev. Estelle as a regular guest on the air.

Now, CJRN Listeners can tune in to *The Ministry of Miracles* every week to find out more from Rev. Lehnen about angelic guidance in their own lives.

Other *Canadian Foundation* broadcasts have gone out over the air from stations in Windsor and London, Ontario. Our thanks to all concerned for helping to spread the good word of the **Second Coming of Jesus Christ.**

DALLAS

British Broadcasting Company to cover Crusade of Innocence

Mike Smith, no relation to Rev. Lucia Smith, is the producer of a BBC kids show called *"Conkers"*. Rev. Lucia is the Director of *The Crusade of Innocence* and its very popular clown ministry. Mr. Smith plans to cover Rev. Smith on her rounds to Dallas' pediatrics wards, disguised as Pansy the Clown, where she delights children suffering from chronic and terminal illnesses, severe burns and accidents.

Rev. Smith's whole life is devoted to the very special calling from GOD to bring *the joy of The Lord* into the sad world of sick and underprivileged children.

Among the projects underway at *The Crusade of Innocence* are: the painting of the *Parkland Hospital* Pediatric Play Room; distribution of Christmas trees and toys to Dallas area children's wards; Thanksgiving and Christmas turkeys to needy families; and a program arranged through the good will and generosity of the front office of *The Dallas Cowboys* Football Team to bring underprivileged kids to the Cowboy's football practice to meet their favorite Sunday afternoon heros.

There are many ways that you can make a significant contribution toward the happiness of a child. For information about how you can help, contact Rev. Lucia Smith at *The Dallas Foundation.*

NEW ORLEANS

Divine Grace Ministries team with Volunteers of America for Halloween Fund Raiser

The Volunteers of America is one of the oldest and most respected charitable organizations in the United States, providing help and relief to needy and unfortunate individuals and families.

This month *Divine Grace Ministries*, whose *House of the Dove* crisis shelter works in close co-operation with many city and community organizations including the *Volunteers of America*, turned one of its houses into a 'Haunted House' for a fun day of fund raising.

The Haunted House was manned by friendly monsters who came compliments of the *Juvenile Home for Boys in Trouble.*

During the day more than 400 people visited the event in delighted horror. Best of all, though, was the fact that the *House of the Dove* and the *Juvenile Home for Boys* benefited from the funds raised.

Many thanks for the coverage and publicity given to the event by *The Times Picayune* and WWL Radio.

WASHINGTON

Rev. Magdalen St. Claire, Director of *The Ministry of the Angels of Christ*, reports this month of a healing through angelic intervention of a woman (let us call her Mary) who suffered from *agoraphobia* for 22 years.

Agoraphobia is an unnatural and uncontrollable fear of open spaces. Individuals who suffer from *agoraphobia* are unable to leave their homes or go out of doors without experiencing extreme dread.

The fear that Mary suffered dominated her entire life.

Recently, The Lord led Mary to *The Angel Ministry* and with the help of Rev. St. Claire, she became aware of her *Guardian Angel*, the ministering spirit in whose care GOD has placed Mary.

As soon as she encountered her angel, **all fear left her.** Mary was able to venture out alone, without fear, *accompanied only by her angel*, for the first time in 22 years. As the Gospel says, *"Perfect love casteth out fear."*

Thanks

"Distributing to the necessity of the Saints; given to hospitality."

Romans 12:13

Special thanks this month to all of you who, in the spirit of St. Paul's words, have given goods and services and hospitality to the work of the ministry of The Foundation Faith of GOD. In recent weeks you have donated such useful items as automobiles, refrigerators, laundry equipment, furniture, appliances, recording studio time, musical equipment, professional services, printing, graphics supplies, produce and groceries, as well as thousands of hours of volunteer time, energy and ideas.

In this regard, The Lord guides us to extend extra special thanks to the Johnston family: Bill and Harriet, daughters Marie and Theresa and her husband Dean Chance.

To all of you - it is our joy to know that *The Lord will return your generosity* to you many times over.
